Shop Drawing Review / Approval
 Review and approval of Shop Drawings releases Architectural Ornamental Castings, Inc. of any responsibility from errors of dimension, quantity, and materials. The Contractor is responsible for the accuracy of all dimensions, quantities and design on shop drawings. General Contractor or Builder are also responsible for the accuracy of all dimensions and quantities on shop drawings. Drawings are to be made in accordance with contract documents with any exceptions which were made on purchase order between General Contractor or Builder and Architectural Ornamental Castings, Inc. from approval of Shop Drawings and changes by the General Contractor, Builder or Architect. Shop Drawings are to be made in accordance with the contract documents and the responsibility of the General Contractor or Builder.
