Shop Drawing Review / Approval
Review and approval of Shop Drawings releases Architectural Ornamental Castings, Inc. of any responsibility from errors of dimension, quantity, and materials. The Architect, Engineer, or other professional responsible for checking all dimensions, quantities and design on shop drawings. General Contractor or Builder are also responsible for checking all dimensions, quantities and design on shop drawings. Drawings are to be submitted with contact drawings with any exceptions which were made on purchase order between General Contractor or Builder and Architectural Ornamental Castings, Inc. from approval of Shop Drawings. Any changes by the General Contractor, Builder or Architect not approved by Architectural Ornamental Castings, Inc. will be the sole responsibility of the General Contractor or Builder.

This drawing and its reproduction is an instrument of service and is the property of A.O.C.I. Inc. It may not be reproduced, stored in a retrieval system, or transmitted in any form or by any means without the written consent of A.O.C.I. Inc.
